Activity: Have the children close their eyes and play a recording of a familiar voice from YouTube (their favorite movie/tv characters) and see if they can recognize the voices.

Discussion Question: There are many voices in the world but not all of the voices are worth listening to and following as not everyone has our best interest at heart. What are the voices that you should be listening to and following and why?

Needed: A photo of a dog (it helps to know the dog's name and owner!)

Maybe you know [dog's name here] who belongs to [dog's owner's name] Isn't s/he cute! I wish s/he could come into our sanctuary today to help me deliver this sermon! S/he would help us know right away the thing I want to teach you.

If you have ever seen a dog answer his owner's call, then you know already what Jesus was saying in the verses we read today. Dogs get to know the voice of the one who loves them and feeds them. [Your dog's name again here] loves [dog's owner] and if they call her, s/he will come running! Other people could say the dog's name, but s/he won't come to them in the same way. Why do you think that happens? [Allow for answers.] Dogs are very smart; they know who loves them, and they will want to be near that person. Jesus was talking about this very thing when he said, "My sheep hear my voice; I know them and they follow me."

I bet you and I are already a lot like Jesus' sheep, or [dog's owner's name] dog Just like [dog owner's] dog, this smart pup knows his voice and will come right away, because s/he knows that [owner's name] loves her and wants to go to her right away.

What are some ways we can listen for Jesus' voice? (allow for answers). We can pray, we can sit still, we can listen with our hearts and show kindness and love to others. Let us pray.

Loving God, you sent your son Jesus to be our Good Shepherd to always lead us in the right direction. Help us to follow Jesus' voice and to share your love with the whole world. Amen.
