Activity: Make a list or draw pictures of all the things you love most about God. Practice telling each other about these things and be BOLD and share with others.

Discussion Question Sometimes we find it hard to tell others about our faith. Why do you think that is? If (because!) we love Jesus and love our congregation why not invite a friend to join you? Start by inviting friends to special events like youth group or VBS.

4th Sunday After Pentecost

Good morning friends! How many of you have chores at home? What are your responsibilities? Does everyone in the house have something that they are in charge of? Why do you think you have those chores? (all time for responses)

We all are a part of a family and a family lives in a home. For our homes to stay in good order, we all need to pitch in and do our share of the work. It's not fair for just one or two people to do all of the chores.

In today's Gospel lesson from Luke, Jesus sends out 70 more disciples to go and tell people all about God. Jesus had originally sent only 2 disciples, but there was so much work to do and people to see that he had to send many more! How will people find out all about God if only a few people share the good news? We are ALL disciples and God wants ALL of us to teach others that God's love is for EVERYONE.

Loving God, thank you for your son Jesus who sends us out to tell everyone about your love. Help us to be bold and faithful. Amen.
