## *Epiphany*

Good Morning friends! Happy Epiphany! Today, we celebrate the end of the Christmas season with a story of the Wise Ones who traveled a long way to find Jesus, the new King.

Have you ever lied down on the ground at night and looked up to watch the stars? On a really clear night, you can see the Big and Little Dipper, the North Star, and maybe even some planets.

Our Gospel lesson from Matthew tells us that the Wise Ones were looking for one very special star that would guide them to where Jesus was born. The Wise Ones followed the star until it stopped...right over the place where Jesus was, and they were overwhelmed with joy! Upon entering the house, they saw the child with Mary his mother; and they knelt down and worshiped him. Then, opening their treasure chests, they offered him gifts of gold, frankincense, and myrrh.

God sent the Wise Ones a star to light their way and to show them how to get to Jesus. Isn't God the best gift giver? First, God gave us Jesus and then God gave us a way to find Jesus! God sends us star-like people in our lives to help show us the ways of Jesus. These people care about us, tell us about how they see Jesus in their lives, they help us know how to love one another. Can you think of people who are stars for you?

God of light and stars, thank you for your Son, Jesus who is the brightest star of all. Help us to always search for Jesus in the people that we meet. Amen.
